

Dear Post 6 Baseball Supporter:

As we look back on the growth of our program, now boasting 6 teams including 13–19-year-old age groups, we are settling in for our 2026 campaign! In late August, we had 100 young men try out for our various teams and join us. We are proud of that, as it allows us to really make a difference and have a positive impact on these young men's lives.

We are currently in the middle of our Wheels for Winning campaign, as we had the immediate issue of upgrading transportation for our coaches and players. Through this campaign we have raised over \$100,000 with which we were able to purchase two very nice used buses that are a blessing for our program. Unfortunately the work here is not done as we have one more bus to go and a van upgrade that is needed and we continue to work diligently in that endeavor.

The Post 6 program continues to have great success moving players to the next level to play collegiately. We are so thankful that we are able to help our young men continue on with baseball and their education as we feel it important to help those young men who want to obtain college educations.

You, our sponsors continue to be the lifeblood of our program. Since we do not receive public funds from the school district to provide a high school level sports program that they do not offer, we absolutely could not have the successes we have had without the outstanding support you deliver. We simply cannot acknowledge you enough!

As you consider your partnership for our 2026 campaign, many thanks to you from our players, our coaches, and our board of directors. We greatly value our association with all our great Post 6 Baseball sponsors.
